Encounter Centre

A place where everyone feels welcome

What is the Encounter Centre?

A place which helps the people of Birchwood Community Church to:

It's a place where people of all ages and from all backgrounds can come together...

*...to chat, to be quiet
...to help, to be helped
...to eat, to drink
...to share, to listen
...to laugh, to cry
...to teach, to be taught
...to pray, to be prayed with
...to do, or simply to be*

And while you are here we hope that you will discover a little more of who you are in Jesus.
